Thank you to all who took part in the annual election. While the level of participation increased this year to 28% from 22% in 2015, we encourage faculty to be more engaged. Shared governance, one of the strongest enduring traditions of the University of California, works to the extent that the faculty are actively involved. This involvement is even more important during these current difficult times.

Sincerely,

William Parker, Chair Elect-Secretary
Academic Senate, Irvine Division
