RE: SR 935 Final Examinations

At its May 14, 2020 meeting, Graduate Council reviewed the June 7, 2021 request presented by the Graduate Division to end the temporary suspension of a requirement under Senate Regulation 935. Final Examinations specifying that “The examination will be open to all members of the academic community.” The suspension was approved in May 2020 given concerns with possible Zoombombing for examinations conducted remotely during COVID-19.

The Council voted unanimously to end the temporary suspension at the conclusion of the Fall 2021 quarter with the reopening of in-person instruction.

On behalf of the Graduate Council,

Arvind Rajaraman, Chair

c: Kate Brigman, Executive Director, Academic Senate
Ruth Quinnan, Executive Director of Admissions & Academic Affairs, Graduate Division
Celina Mojica, Director of Academic Initiatives, Graduate Division
Thao Nguyen, Graduate Council Analyst
