Dear Colleagues,

The message below is sent on behalf of Vice Provost for Academic Personnel Diane O'Dowd.

Best wishes,

Joanna Ho, Chair
Academic Senate, Irvine Division

Dear Colleagues,

The Interim COVID-19 Research Recovery Program (ICRRP) is an opportunity for the campus to enhance the ability of Academic Senate faculty members whose research or creative activity has been significantly impacted by the COVID-19 pandemic to recover from that loss. The program has been expanded this year to include eligibility for all professor and professor of teaching faculty at all ranks: assistant, associate, and full.

With the support of the Provost and Executive Vice Chancellor's Office, we have successfully distributed funding to 95 proposals in the 2021-22 academic year, and are pleased to announce that we are now accepting proposals for Fall 2022. We expect another, final, call in January 2023.

The deadline to submit an ICRRP proposal is September 12, 2022.

The full description of the Interim COVID-19 Research Recovery Program (ICRRP) application process, along with FAQs, is available at: <https://ap.uci.edu/covid19/icrrp>. The application form (UCI-AP-ICRRP) can be found at: <https://ap.uci.edu/wp-content/uploads/UCI-AP-ICRRP.pdf>.

Should you have questions, please contact Melissa Aguirre in my office at m.aguirre@uci.edu.

Sincerely,

Diane K. O'Dowd
Vice Provost for Academic Personnel
