Notice of Academic Senate Annual Election  
February 26, 2020 – March 11, 2020

Members of the Irvine Division,

As directed by the Divisional Bylaws, the Committee on Committees hereby presents its Slate of Nominees and its Slate of Appointees to fill vacancies on Senate committees for the 2020-21 academic year. You can find both slates at the following address: [http://senate.uci.edu/senate-election/](http://senate.uci.edu/senate-election/).

Slate of Nominees
The Chair Elect-Secretary of the Division and the members of the Council on Academic Personnel and the Committee on Committees are elected positions. The Irvine Division of the Academic Senate will conduct its election from February 26, 2020 through March 11, 2020. You may add a candidate to the ballot by filling out the appropriate Nominating Petition Form, available at the website listed above (instructions are listed on the form).

Slate of Appointees
These appointments are considered final unless the Committee on Committees receives a Nominating Petition Form for Appointed Positions, available at the website listed above (instructions are on the form). If any forms are received for an appointed position, the slate then becomes a slate of nominees and this category will be added to the ballot.

The Committee on Committees strives to match faculty interests with committee vacancies, and this year we were able to match 35 people with their responses to the Committee Interest Survey.

Voting instructions will be emailed to all members of the Irvine Division on February 26, 2020. The election will be conducted by electronic vote. If you prefer a paper ballot, please inform Christine Aguilar (emaguill@uci.edu or 949-824-7458) before February 19, 2020.

All Senate members are bound by the Faculty Code of Conduct and the ethical principles embodied therein. There is an expectation that campaigning and public comments during the electoral process will be done in a collegial way and with openness and a fair opportunity for response.

On behalf of the Committee on Committees,

Rahul Warrior, Chair  
Committee on Committees
